

ACV® Finishing Rinse

Water based finishing rinse for use after every shampoo.

.....

A light, after-shampooing, finishing rinse formulated to control tangles, frizzies and fly-away hair without leaving build-up.

Sizes	Product Codes
350ml	M380
1 Litre	M385
4 Litre	M386

.....

features and benefits

- Instant action controls static, tangles and fly-away hair.
 - Natural apple cider vinegar adjusts pH to impart a traditional "vinegar-rinse" shine.
 - Formulated with sunscreen to help protect hair from damaging solar rays.
 - Uses no animal by-products. No animal testing.
-

usage

Shampoo with ACV® TRISURFACTANT SHAMPOO. Rinse. Apply a small amount of ACV FINISHING RINSE to damp hair. Gently massage throughout hair. Rinse thoroughly with warm water. When extra conditioning or hair repair is desired, we recommend using ACV® MOISTURIZING CONDITIONER. Shake well before using.
