

Cider Foam™ Mousse

(formerly known as ACV Mousse)
Alcohol-Free Styling Mousse

CIDER FOAM MOUSSE is an alcohol-free, professional styling mousse formulated to provide the volume and medium hold most often desired by contemporary stylists.

Size **Product Code**
400 grams M559

features and benefits

- Alcohol free formula eliminates the problem of dryness.
- Large professional salon size provides economy without sacrificing quality. (Approximately 90 applications per can).
- Rich creamy formula provides root support, volume, flair and design freedom.
- Gives extra body to fine, limp hair.
- Versatile – use on either damp or dry hair. Shape with brush, iron or fingers.
- Featuring Mahdeen “NutriQuat”, wheat protein poly-peptides and a cationic conditioner all contained in one molecule. Gives hair strength, stamina and vitality.
- A touch of silicone and sunscreen adds shine, thermal and sun protection.
- Apple Cider Vinegar balances pH and gives that traditional “vinegar-rinse” shine.

usage

Shake can well before use. Invert can and dispense an egg-sized amount of foam into palm of hand. Spread evenly throughout hair. Can be used on damp or dry hair. Style as desired.
