

ACV® Cider Suds Shampoo™

Good for the environment – great for your hair. An ecologically sensitive and responsible cleansing shampoo ideal for all hair types.

ACV Cider Suds is designed with advanced “Green” ingredients to assure that it is as natural and ecologically friendly as possible.

Sizes	Product Codes
350ml	M325
1 Litre	M330
4 Litre	M335

features and benefits

No Sulphates; No Phosphates; No Parabens; No Diethanolamines.
Cider Suds Shampoo is a safe, environmentally responsible product.

Contains three, mild, sulphate-free surfactants for cleansing.

- Sodium Olefin Sulfonate to provide excellent foaming and cleansing properties.
- Sodium Lauroamphoacetate to provide good flash foaming and low levels of antibacterial activity.
- Cocamidopropyl Betaine to provide irritation-reduction to the overall formula as well as antistatic, conditioning, and low levels of antibacterial activity.

Natural Apple Cider Vinegar adjusts pH and leaves hair with a traditional “vinegar rinse” shine.

Produces copious, gentle, deep-cleansing suds – small amounts produce big results!

A new wheatgerm protein provides conditioning, a healthy looking luster and fuller, luxurious hair.

usage

Gently massage CIDER SUDS SHAMPOO into wet hair. Rinse with tepid water. Repeat if desired.
