

MRX®

Antibacterial Cleansing Astringent for use on skin and scalp.

.....

Hygienic techniques are vital when performing professional salon and esthetic services. MRX is formulated to provide antibacterial skin cleansing and is suited for use in salons, homes, cars, cottages, and first aid kits. MRX refreshes, soothes, tones and cools the skin and can relieve itching caused by insect bites.

.....

features and benefits

- Scientific blend of benzethonium chloride, benzoic acid and ethyl alcohol provides safe, effective antibacterial action.
 - Essential oils of cloves, eucalyptus, peppermint, camphor and eugenol help to control itching and give cooling, soothing relief.
 - Contains humectants to moisturize and overcome the drying effect of ethyl alcohol, and helps apply MRX smoothly and easily.
 - Versatile – dozens of uses: Cleansing oily and acne prone skin and scalp; body piercing aftercare; manicures, pedicures and eyebrow tweezing; minor cuts, scratches and abrasions; acne blemishes and complexion stimulation. Soothes heat rash, sunburn, insect bites, friction rubs and after shaving. Cleanser for combs, scissors, various salon equipment.
-

usage

Apply regularly as required. For external use only. Avoid contact with eyes. Keep out of reach of children. MRX should not be used as a disinfectant.
