

Mango Mud™ Reconstructor

Intensive Hair Reconstructor for Dull, Dry, or Damaged Hair

MANGO MUD is a potent, intensive hair reconstructor therapy created to give damaged hair an intensive restorative treatment. Provides body, shine and texture, to even the most distressed hair.

Sizes	Product Codes
175ml	M482
1 Litre	M481

features and benefits

- Fortified with shea butter and sweet almond oil to leave hair soft, silky and easy to manage.
- Combats damage caused by chemical processing, sun and pollutants.
- Wet or dry combing is improved.
- Builds body and tames grey or porous hair.
- Non-paraben preservative system.

usage

Shampoo with MANGO MOIST HYDRATING SHAMPOO™ to prepare hair for treatment, then rinse and towel dry. Distribute 2-3 teaspoons of MANGO MUD evenly through the hair, paying particular attention to any split ends. Gently massage. Leave for 2-4 minutes, then rinse thoroughly. Use weekly for damaged hair or twice weekly for severely damaged hair.

Hair stylists should discuss which Mahdeen MANGO hair treatment regime is right for their patron's hair.

Refer to the Mahdeen Damaged Hair Collection usage guide for additional information.
